## 2007-2008 Title III Funding Allocations

Title III funding for 2007-08 has not been confirmed by the U.S. Department of Education. The following allocations are based on funding previously received and may be amended as necessary.

Letters to districts regarding private school participation in federal programs were sent out at the end of March. Please let Joan Franke of the Office of Public Instruction (406-444-3694 or [jfranke@mt.gov](mailto:jfranke@mt.gov)) know if any private schools in your district intend to participate in Title III so that the Office of Public Instruction can adjust your allocation.
